

Habits of Mind

Persistence

Name: _____

Class: _____

Date: _____

Write- up on Persistence

Persistence is the act of not giving up. It refers to continuing a habit or a course of action, in spite of opposition, resistance, hindrance or any other deterring factor. Persistence can also be defined as continuing to turn the impossible task into a possible one, continuing to find solution by not stopping in order to

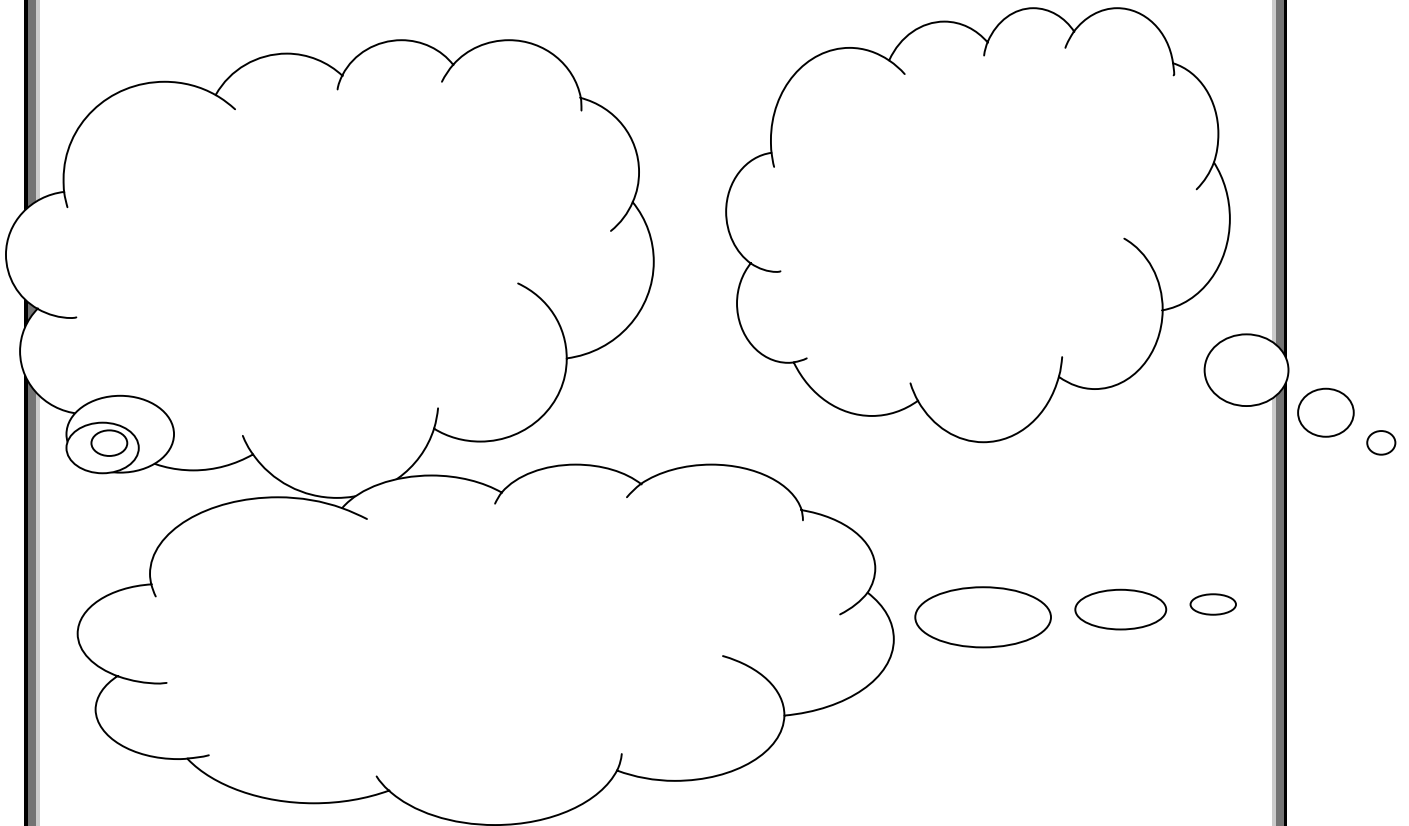

Lesson 2: Worksheet 1 (To be used for Activity 3)

Do you think persistence is a very important habit in one's life? Give reasons for your answer.

(Encourage pupils to pen their thoughts on this page)

Do you think persistence is a very important habit in one's life? Give reasons for your answer.

(Encourage pupils to pen their thoughts on this page)

(TO BE USED AT THE END OF LESSON 3 / ACTIVITY 4)

(Important : This rubric need not be used by an individual student to assess himself or herself. Instead the members in each group could use this rubric to assess the others in the group.)

- ❖ Read the rubrics given to you.
- ❖ Reflect on the thought processes and actions of your partner in the group.
- ❖ For each criteria put a tick in the box given on the extreme right hand side of the paper.
- ❖ Where do you think your partner best fits in?
- ❖ After completing the rubrics go through the assessment with your partner.

Criteria	Level		
	1	2	3
Qualities	Not able to identify appropriate symbol to show the habit	Able to identify appropriate symbol to represent the habit to a certain extent.	Know very well to identify an appropriate symbol and able to link it to the habit
Significance of the logo or symbol	Explanation is weak and is not able to make a link between the symbol and the habit.	Explanation is satisfactory. Able to make a link between the symbol and the habit to a certain extent.	Explanation is very clear and is able to make a suitable link between the symbol and the habit to a greater extent.
Creativity in the logo or symbol	Design is not original and shows a lack of creativity	Design has a few original ideas. However, it also has several borrowed ideas from existing logos or symbols.	Design is very original and with very little borrowed ideas.
Teamwork	Only one or two members are seen working on the task. There is little or no cooperation and communication among group members. As a result of poor teamwork, the group is unable to complete the task on time.	There is cooperation among a few group members, and ideas are exchanged at times. The group is able to stay focused and completes the task on time.	Every member participates fully in contributing and improving the ideas. They work very well together and show enthusiasm. The group is able to stay focused and completes the task on time.
